

I asked him how he
got to Texas from the

12:07 northeast and he said
this was like when

12:10 we first met and he's
like well I wasn't

12:13 sure I wanted to move
from New York but

12:16 a seminary friend told
me that there was

12:18 a church that needed
him a church that

12:20 would become New
Hope Presbyterian

12:22 Church. In 1975, Bill
and Lynn packed up

12:26 their lives, moved with
their three

12:28 children, and Bill
helped build New

12:31 Hope.
